Question: 5

DRAG DROP

You need to recommend a solution that meets the sales requirements.
 Which three actions should you perform in sequence? To answer, move the appropriate actions from the list of actions to the answer area and arrange them in the correct order.

Answer:

The image shows a screenshot of a quiz interface. It is divided into two main sections: 'Actions' on the left and 'Answer Area' on the right. The 'Actions' section contains five items, each in a green-bordered box: 'Create a trainable classifier.', 'Create an auto-labeling policy for sensitivity labels.', 'Create a sensitive info type that contains a keywords classification.', 'Create a sensitive info type that contains an EDM classification.', and 'Create a sensitive info type that contains a document fingerprint.'. The 'Answer Area' section contains three items, each in a red-bordered box: 'Create a trainable classifier.', 'Create a sensitive info type that contains a keywords classification.', and 'Create a sensitive info type that contains a document fingerprint.'. At the bottom of each section are two circular navigation buttons: a right arrow and a left arrow for the 'Actions' section, and an up arrow and a down arrow for the 'Answer Area' section.

Actions	Answer Area
Create a trainable classifier.	Create a trainable classifier.
Create an auto-labeling policy for sensitivity labels.	
Create a sensitive info type that contains a keywords classification.	Create a sensitive info type that contains a keywords classification.
Create a sensitive info type that contains an EDM classification.	
Create a sensitive info type that contains a document fingerprint.	Create a sensitive info type that contains a document fingerprint.
Upload sample contract documents to a seed content folder in SharePoint Online.
